November 2014

Men's Health Week:

This was held at Helensvale Golf Club again and was a huge success with over 100 players competing in a 4 person Ambrose Event.

Bunning's were again the major sponsor and many other companies supported the day. Thanks to all who supported Men's Health Week.

Slim Harvey is to be recommended for his great organizational part in making the day a great success.

Our club provided 25 players for the day, well done.

Gainsborough Greens Away Game:

We all enjoyed the great weather and the course, a good roll-up with 47 players participating.

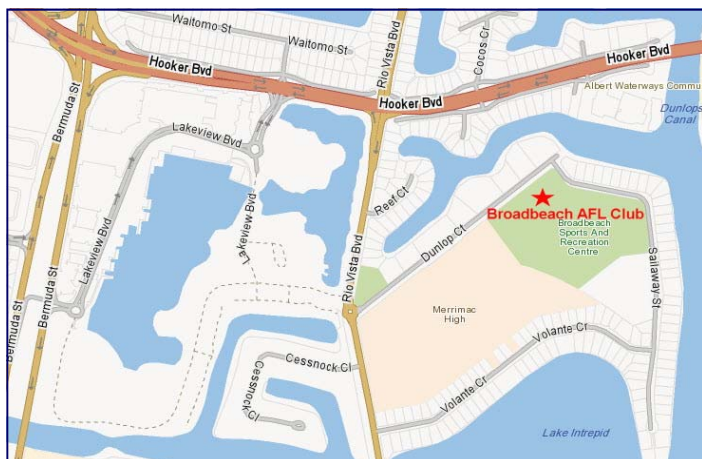

The Club put on a nice lunch as part of the deal and we will probably have another game there in the future.
