

'SIT REP'

Vietnam Veterans Social Golf Club

Volume 48

January 2020

* We have just completed one of our most successful years in the club history with Friday games having over 50 players on numerous occasions. We also had a record number of visitors to our club from all over Australia, USA, Canada, UK and Sweden that I can remember.

* Our first away game at 'Riverlakes Golf Course' was a fun day with about 40 plus players, we all had a bit of a winge about how hard the course was and how much water there was. But, nearly everyone indicated that they wanted to return in 2020 and see if we could do better.

* The current games schedule only is only made out to the end of January, the week after the AGM. For that reason I have only made tentative bookings at a couple of courses, so as soon as the AGM is over and we know who has assumed the Committee positions we will let you know as fast as we can.

* The Club has had a lot of sickness and major operations amongst the members this, and some family tragedies, but we have all done our best to support and assist those who needed help. That is why this is such a successful, happy and supportive group of people.

To all members who are on the mend and all those receiving treatments, let us hope that 2020 is a lot better for you and your families.

* The Christmas Party at 'Club Burleigh' was a great day, the food was good and the service excellent. The bar prices were the same as any other pub or club, even cheaper if you became a member of the club for \$1.00.

* Congratulations to our A, B and C Grade Club Champions; A Grade and Club Champion John Gear, B Grade Champion Mick Perry and C Grade Champion Monica Gear.

Special thanks go to Hodgie for organizing the trophies and shirts for the Champs.

* To all the members who have helped throughout the year, thank you once again, especially the BBQ crew that gives us a great meal at the end of each month.

* Ray Andrews has donated his BBQ to the Club, the BBQs out there are badly in the need of some TLC or new ones would be better. Thank you Ray.

* The AGM will be held on Friday 24 January with a BBQ after the game. Please note that the deadline, Friday 10 January, for Nominations to be accepted has passed.

* LET US HAVE A HAPPY 2020 WITH LOTS OF GOLF AND FUN!

Dan Tully
